### **New Global Home Textiles™ Debuts May 8-10 in Orlando, Florida**

The world of home textiles is coming to Orlando, Florida May 8 to 10 with the debut of Global Home Textiles™, an exciting new event designed to bring together overseas manufacturers with leading American buyers and key decision makers

George Little Management LLC, the leading consumer products trade show organizer in the United States, is bringing its expertise into the international marketplace with the launch of Global Home Textiles™, the only show designed specifically to address the today's business needs in the new global sourcing environment.

Global Home Textiles™ is co-locating with two other major consumer products events, the Gourmet Housewares Show® and the National Hardware Show®. Together, these three shows are expected to attract some 40,000 participants to Orlando.

More than 350 exhibitors from 20 different countries are expected to showcase their products at Global Home Textiles™, with the largest contingents coming from China, India, Egypt, Vietnam, Pakistan, Taiwan, Turkey and the U.S. More than 3,000 visitors from more than 30 countries are expected to attend the show. These visitors, primarily from the U.S. and Canada, will include sales agents, buying offices, distributors, wholesalers, importers and exporters, manufacturer's representatives, product development and design teams, and leading U.S. and Canadian retailers from every major channel of distribution.
